S.O.S. CAMP (SCHOOL'S OUT SUMMER CAMP)

Nationwide, no one cares for more children than the Y. And this year, it could be the best summer ever! Your kids can have a summer that will help them stretch their imagination, gain self-confidence and learn new skills!

And what do parents appreciate about S.O.S. Camp? All Y camp staff are screened and receive training prior to the beginning of camp. This instruction includes Child Abuse Prevention training and program-specific skill-building in teaching and engaging children in meaningful learning experiences.

The Y's S.O.S. Camp provides an exciting, safe community for children ages 5-12 (children must have completed Kindergarten) to build self-esteem, develop interpersonal skills and make lasting friendships and memories.

COUNSELORS IN TRAINING (CIT)

Youth ages 13-15 can participate in S.O.S. Camp as CITs, assisting staff with younger children and building leadership skills. The CIT program gives teens age-appropriate challenges that help build skills, confidence and capacity for working with people of all ages.
