

## COVID – 19 YOUTH SPORTS DANCE SAFETY POLICY

Welcome to the Valley Points Family YMCA dance program. We are happy to have you here! Our participant's safety is our top priority. During these uncertain times, our staff team has been working diligently to prepare for your safe return to Y programming.

### SAFETY PROTOCOLS

- The YMCA requires participants, spectators and staff to wear face masks/coverings at all times when inside our buildings.
- Participants will have their assigned space in the room to allow for social distancing.
- Spectator social distancing is required at all times as well. Chairs will be available to space six feet apart along the perimeter of the room or in the hallway. Families are permitted to sit together in groups.
- Class sizes will be smaller to allow for social distancing.
- All staff, participants and spectators will have their temperatures taken upon entry to the building.
- Hand sanitizer will be available at the welcome center and in the classroom. We ask that all participants clean their hands prior to the start of class.
- Any equipment used during class will be disinfected by our instructors before and after every class.

**PLEASE NOTE:** The YMCA is following CDC recommended social distancing guidelines; therefore, we have reduced capacities in both our program areas and facilities.

### CONTACT US

The Valley Points Family YMCA will be open to discuss your membership, help you register for programs including dance, drawing, swimming lessons, flag football and all other inquiries.

Allegheny Valley Branch: 724-295-9400
