

VALLEY POINTS FAMILY YMCA

The Y is a cause-driven, non-profit organization that strengthens communities through youth development, healthy living and social responsibility. That's because a strong community can only be achieved when we invest in our kids, our health and our neighbors. Our mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

NONDISCRIMINATION IN SERVICES

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at 800.877.8339. KEYSTONE STARS

The Y Early Learning Centers are Keystone STARS Facilities. This statewide initiative aims to improve the quality of early care and education given to each child. Our participation demonstrates our commitment to each child, as well as reaching higher education standards to enhance social and emotional development, cognitive skills, and school readiness.

Under Keystone STARS, all ELC staff are required to take part in annual training, in addition to CPR, First Aid, Water Safety, Fire Safety and Child Abuse Prevention.

The Keystone STARS program evaluates the ELCs annually to ensure STARS requirements are met.

NOURISHING YOUR CHILD'S POTENTIAL

When children are involved with a YMCA Early Learning Center, they leave ready for kindergarten.

Our Y's early learning programs are operated on an experiential learning philosophy: children learn by doing. Daily lessons, based on a nationally recognized and creative curriculum, are created to boost development through age-appropriate activities, and stimulating hands-on experiences, with a balance of teacher directed versus child directed play.

Quiet time is included every day, along with breakfast, lunch and an afternoon snack (at no additional charge). Meals are provided under the Child and Adult Care Food Program.

All Y Early Learning Centers are fully certified by the Department of Public Welfare and the Commonwealth of PA. Our qualified and well-trained staff provide safe, affordable, high-quality care so you can have peace of mind while you work to help your family succeed.

FOCUS ON FAMILIES

No matter how many hours children spend at the Early Learning Center, family is the most important structure in their lives. Children participate in numerous activities throughout the year that encourage parent involvement. Staff members are partners with parents and other caregivers, working together to help children grow healthy, happy and strong.

FINANCIAL ASSISTANCE & SUBSIDIES

Y early learning programs are open to all, with financial assistance available for those who qualify. Subsidized care is provided through their county Early Learning Resource Center Office.
