AGE APPROPRIATE EXPERIENCES

The time before and after school can be empty and lonely for kids, or they can be creative and constructive. YMCA School Age Enrichment gives kids the chance to express their talents in the arts, sports, and other areas of interest. Kids find out what success is all about in an approach that says everybody plays, everybody wins.

The curriculum includes homework support, literacy programs, fitness activities, recreational games, and craft projects, all of which are led by degreed and/or certified teachers. Each site includes an afternoon snack or hot meal.

FOCUS ON FAMILY

No matter how many hours children spend with the Y, family is the most important structure in their lives. Staff members are partners with parents and caregivers, working together to help kids grow healthy, happy and strong.

FINANCIAL ASSISTANCE & SUBSIDIES

Like all Y programs, School Age Enrichment is open to all, with financial aid available for those who qualify. A 10% sibling discount is also available. Subsidized care is provided through the County CCIS Office.

YMCA MISSION

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.
