Early Learning Enrichment

Our Y's early learning programs are operated on an experiential learning philosophy: children learn while doing. Daily lessons, based on a nationally recognized and creative curriculum, are created to boost development through age-appropriate activities, and stimulating hands-on experiences, with a balance of teacher-directed and child-choice play. Quiet time is included every day, along with breakfast, lunch and an afternoon snack (at no additional charge). Meals are provided under the Child and Adult Care Food Program.
