Before and After School Child Care 2024/25 Valley Points Family YMCA

School Age Enrichment

School Age Enrichment offers a combination of child-choice and teacher-directed activities, with a curriculum that includes homework support, literacy programs, fitness activities, recreational games, and art projects. An afternoon snack is included at no additional charge. All teachers have degrees and/or are certified. Through the use of carefully planned activities, we help children achieve their fullest potential in terms of mental development, physical well-being, and social growth. All sites are Keystone STARS Level 1 or 2.
